UNITED STATES COURT OF APPEALS  
FOR THE SECOND CIRCUIT

DAILY MIRROR, INC.,

Plaintiff-Appellant,

-against-

NEW YORK NEWS INC., UNION NEWS CORP.,  
HENRY GARFINKLE, AMERICAN NEWS COMPANY,  
INC. and ANCOPC, INC.,

Defendants-Appellees.

BRIEF FOR DEFENDANT-APPELLEE  
HENRY GARFINKLE

Plaintiff-appellant appeals from an order of Judge Marvin E. Frankel dated June 9, 1975, and a judgment entered thereon, June 11, 1975, in the District Court for the Southern District of New York granting the motion of all defendants for summary judgment dismissing the complaint for alleged violations of the federal and state antitrust laws, as well as the common law of New York. Plaintiff-appellant also appeals from an order of Judge Frankel dated July 3, 1975, and entered July 7, 1975, denying plaintiff's motion pursuant to Rule 60(b) of the Federal Rules of Civil Procedure to vacate the order of June 9, 1975 and the judgment entered thereon.

This brief is submitted on behalf of defendant-appellee Henry Garfinkle (Garfinkle) in support of affirmance of the summary judgment granted it by the District Court and of the order of the District Court denying plaintiff's motion to vacate that judgment.

STATEMENT

There are three defendant-appellees in this proceeding. All of them have a common interest and are alleged to be part of a conspiracy. The defendant-appellee, New York News Inc. has submitted a substantial brief on all of the issues on this appeal. A review of that brief has been undertaken by the attorney for Garfinkle and it is felt that the Court should not be further burdened with an additional brief. Therefore, the Court is advised that the defendant-appellee Garfinkle adopts the brief of the New York News Inc. on this appeal and said brief is to be read in support of the defendant-appellee Garfinkle.

It should be pointed out to the Court that Garfinkle served a Notice of Motion and Affidavit in connection with the motion for summary judgment (J A 59) and has joined in all of the other proceedings had in this case.

The decision granting summary judgment should be upheld since the defendant Garfinkle did not participate in any of the alleged actions and there were no violations of any of the antitrust laws as claimed by plaintiff-appellant. In essence, if the Court reads all of the proceedings and the briefs, it will find that the plaintiff-appellant's motion is meritless and that there is no conspiratorial evidence amongst the defendant-appellees.

CONCLUSION

All of the action of the Court below should be affirmed.

Respectfully submitted,
